To: Honorable Judge Myron Thompson.  
RE: Michael Shawn Campbell (Son)

In this letter its my intent to disclose  
my Son Michael Shawn Campbell's Character.

I am Michael's Mother, Dina Campbell  
A 64 yr Old Resident of 390 Co rd 919 Headland, As a  
Widow of Dan Frank Campbell Since May 5<sup>th</sup> 2000  
to whom I lost with Cancer. Also a lifetime  
Resident of Headland, Al and a Graduate from Cosage  
With degree in Horticulturist And a very loving and  
Caring Father to Michael. And we as parents always  
taught him nothing but great Morals of life. in  
which Michael had No Problem Comprehending and  
Always had great respect for himself, us, and  
everyone he met and was in contact with.  
Even all through his school days. Dan and  
I received compliments and admiration for him  
from his teachers & Staffs of how well mannered  
he was. And how we managed to do it. and have  
such a pleasant child. "I answered" with God's  
help and lots of teachings which has to start at  
young age. if you have children you know this also.  
And Michael today still has the same Moral Respect  
today for his kids & family. And has always  
brought joy to our life.

Michael started School in Headland where  
he attended Elementary, Middle and Senior yrs.

His Plans Was to go into College which was put on Hold when He Met Tiffany Blachter whom became His wife and today Has Two Beautiful kids Austin<sup>8</sup> & Jaymee<sup>12</sup> which He loves Very and has always been a very supportive, loving, caring father to them. And hopes & pray he can make up the time and sorrow he has put them and their little minds too.

Michael was always involved in sports through school and church of all kinds and loved them and still was with his kids (both of them) at the time of his arrest. The kids were in some kind of sports and activities at all times. in which i think all kids needs to be in today. it keeps their minds focused on good things Not Bad. so Michael's<sup>5</sup> kids very much needs him back in their lives & minds because their little minds doesn't understand what's going on. but it could make worlds of difference of how their lives can turn out.

Your Honor, I know you kindly gotten off the main subject of this letter, but I raised my son and I surely know he is a good natured person, and has always helped every one he could. and a good father, that's why his arrest has shocked me so terrible and has me wondering what went wrong. Because when Michael went into and choose to go into law enforcement with the Houston County Sheriff Dept it was what he always wanted to do and had his heart set on it. He told me, "Mornay"

I dearly love my job and intent to work my way up to the highest rank possible to the top. and at the time of his arrest May 17<sup>th</sup> 2006 he was with them for 3 yrs- and ate, slept, and breath his work and was so happy about it, and it was his dream come true job.

Your Honor, I know Michael has made a mistake, and we have all made them of some kind. and as I know he has "Never" been in any sort of trouble or violations of the law through out his "Lifetime", which is why Michael choose to go into law enforcement was to remove criminals and drug lords of the streets. and I know that Michael hated thugs and trouble. and we thanked God for this and prayed a million prayers for him through his lifetime ~~he~~ wouldnt ever want them. I also have 46 yr old daughter that has never been in any trouble with the law. so the Lord has blessed me with 2 children that hasn't. and I am thankful for him & his blessings. And I don't know "why" or "what" went wrong or "who" all was involved in Michael's arrest, but I know this is (not) like Michael. Something is wrong with <sup>his</sup> situation only "God" knows. And I believe God will see us all through this. and your honor as Michael's ~~father~~ is about to surface I pray that as you deliberate on his fate that you will take in consideration his life history and give him a fair trial and punishment if any and have mercy on him "I Beg" his kids need him in their lives and so does myself.

-4-

Because I have Multiple Health Problems  
and my Daughter has been home bound for several  
yrs. Honer, I also have prayed since Michael's  
incarceration that you would "Please" try and  
get Michael in a Prison if it comes to that.  
So where I, the kids & family visit in one  
close to home somewhere near Ky. ~~I~~ I as a  
Christian knows prayer "And Where God Closes  
One He Will Open Another One." and also that God  
will lay it on your heart to have mercy on  
Michael and the kids. because your Honor  
Michael hasn't only the burden of being  
incarcerated he and myself & kids have the  
burden of his wife Tiffany of going her  
separate way and asking Michael for a divorce  
at a time he was the lowest and down and  
before his trial date to where he can't keep his  
self. which has broke my heart also and  
the kids. This is to much for them in their little  
minds. I hope & prayd she would re consider  
but its not likely she will because the papers  
have already been served. So please help him  
I beg of you for his kids lives are shattered  
and so is family. and "I Believe all things work  
through the Lord for the good"

Thank you, your Honor for taking the time to read  
this letter and your patiance and God Bless  
you & your family.

Sincerely  
Nina Campbell
